

## FORAKER IN ACTION IN SENATE

## OHIO SENATOR SPEAKS ON THE BROWNSVILLE AFFAIR.

His Speech Was the Feature of Interest for the Day—Small Attendance in House.

Washington, Jan. 13.—Senate—A spirited speech by Senator Foraker of Ohio on the use of private detectives investigating the Brownsville affair was the feature of interest in the senate Tuesday. Mr. Foraker laid aside his manuscript several times during his address to inject remarks that were pointedly aimed at the president, although he refrained from the mention of Mr. Roosevelt's name. Evidently referring to the president, he declared that men who make charges and insinuations will some time "be where they can be called to account."

Mr. Lodge replied to Mr. Foraker's remarks, declaring that the use of the \$5,000,000 fund appropriated in 1899 as an emergency war fund for the president during the Spanish war in the employment of detectives on the Brownsville case was not in violation of law.

Mr. Foraker endeavored to have a day fixed for voting on his bill for the re-enlistment of the discharged soldiers of the Twenty-fifth regiment, but Mr. Warren, chairman of the committee of the military affairs, insisted upon postponing such agreement until a future day.

House—Working with only a small quota of members, the house of representatives Tuesday devoted its entire time to consideration of the District of Columbia appropriation bill. Mr. Mann of Illinois furnished a little diversion for an otherwise dull day by defending the house rules, and this led him into sharp brushes with Mr. Gardner of Massachusetts, one of the so-called insurgents.

## CAMERON IS FOUND GUILTY

Was Charged With Conspiracy in Attempting to Bribe a Pittsburgh Councilman.

Pittsburgh, Jan. 13.—Charles S. Cameron, president of the Tube City Railroad Co., who has been on trial for several days charged with conspiracy and misdemeanor in attempting to bribe ex-councilman W. A. Martin in connection with the passage of an ordinance granting a franchise to the Tube City railroad, was on Tuesday afternoon found guilty as indicted. The case came to an abrupt close late Tuesday and the jury was out but 15 minutes. Attorneys for Cameron gave notice of an appeal for a new trial and the accused was held in \$20,000 bail, an increase of \$10,000.

Former Councilman W. A. Martin, who is serving a sentence in the Western penitentiary for accepting a bribe, and C. R. Richardson, a broker,

who is awaiting sentence for his part in the Tube City railway scandal, were the principal witnesses at the trial Tuesday.

A declaration by Martin that he was honest in selling his honor to Cameron and that he considered it very cheap at \$70,000 was the statement with which Martin concluded his testimony. When asked if he would not have had to distribute the money among some of his brother councilmen, Martin said that perhaps he could have fooled them as Cameron fooled him. He refused to mention any names, declaring he did not show Cameron a list of councilmen. Any hopes that the district attorney's office might have had that some information would be drawn from Martin which would be of assistance in the prosecution of the seven councilmen and two former bankers now under indictment on charges instituted by the Voters' league of this city of attempted bribery and corruption, were shattered when Martin foisted all efforts to make him involve or incriminate others. Richardson related the story of the loans made to Cameron for the purpose of hoodwinking Martin.

It is more than I can stand. I will have to get away with myself. My wife drove me to this and I don't want to do it, but I simply have to do it to end my trouble."

## A Woman's Back

Has many aches and pains caused by weakness and falling, or other displacement, of the pelvic organs. Other symptoms of female weakness are frequent headache, dizziness, imaginary specks or dark spots floating before the eyes, gnawing sensation in stomach, dragging or bearing down in lower abdominal or pelvic region, disagreeable drains from pelvic organs, faint spells with general weakness.

If any considerable number of the above symptoms are present there is no remedy that will give quicker relief or a more permanent cure than Dr. Pierce's Favorite Prescription. It has a record of over forty years of cure. It is the most potent invigorating tonic and strengthening nerve known to medical science. It is made of the glyceric extracts of native medicinal roots found in our forests and contains not a drop of alcohol or harmful, or habit-forming drugs. Its ingredients are all printed on the bottle-wrapper and attested under oath as correct.

Every ingredient entering into "Favorite Prescription" has the written endorsement of the most eminent medical writers of all the several schools of practice—more valuable than any amount of non-professional testimonials—though the latter are not lacking, having been contributed voluntarily by grateful patients in numbers to exceed the endorsements given to any other medicine extant for the cure of woman's ills.

You cannot afford to accept any medicine of unknown composition as a substitute for this well proven remedy or known composition, even though the dealer may make a little more profit thereby. Your interest in regaining health is paramount to any selfish interest of his and it is an insult to your intelligence for him to try to palm off upon you a substitute. You know what you want and it is his business to supply the article called for.

Dr. Pierce's Pleasant Pellets are the original "Little Liver Pills" first put up by old Dr. Pierce over forty years ago, much imitated but never equaled. Little sugar-coated granules—easy to take as candy.
